

## Attachment 3- Packaging Process

### Recipes, Processing, Packaging, Labeling and Cleaning

#### Submit:

- ✓ A description of all the types of packaging you will use and the process of how the product will be packaged.

#### Examples:

- “I use new plastic baggies from the grocery store, and with disposable gloves place two cookies in a baggie and seal with a twist tie.
- “I use canning jars and two piece commercial canning lids to seal the jam while it is hot.”

LIST OF TYPE OF PACKAGING AND THE PROCESS (e.g. boiling glass jars; items are wrapped individually with clear food wrap):

Some packaging steps will be identified in the recipes and some will be identified in the packaging. This page is to identify any non-listed steps of the processing or packaging in detail to review for hazards that may be introduced.

Several recipes may have the same process. If so, you may list all of the recipes that have the same process on one sheet.
